purity of mind. It is said, “The aspirant may have received the grace of the guru, the Lord and the Vaishnavas; but he comes to grief without the grace of ‘one’. That ‘one’ is the mind. The mind of the aspirant should be gracious to him.”

“The mind is everything. It is in the mind alone that one feels pure and impure. A man, first of all, must make his own mind guilty and then alone can he see another man's guilt.”

- - - Holy Mother Sri Sarada Devi.

Man making education

“The ideal of all education, all training, should be this man-making. But, instead of that, we are always trying to polish up the outside. What use is there in polishing up the outside when there is no inside? The end and aim of all training is to make the man grow. The man who influences, who throws his magic, as it were, upon his fellow-beings, is a dynamo of power, and when that man is ready, he can do anything and everything he likes; that personality put upon anything will make it work.”

“We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet.”

- - - Swami Vivekananda.
